On behalf of the Basil W. Woods Jr. Chapter Officers and Board of Directors, we cordially invite you to celebrate thirty years of gathering together every March to raise funds so critical to fulfilling our mission. Chapter funds and volunteers supported these 2017 projects: NH TU's Youth Trout Camp, Trout-in-the-Classroom, Hope on the Rise, and Youth Fishing Day; continued Brook Trout research in the Warner and Upper Androscoggin watersheds and Nash Stream; the Warner River Nomination. Chapter Volunteers have logged thousands of hours on behalf of the Chapter.

All banquet proceeds raised at the event through your participation in the raffles, silent auction, and live auction events support the Chapter's conservation projects, education programs, and community service projects and activities.

We look forward to seeing everyone and thank you for your generosity and continued support. Please send any questions or comments to: concordtu@yahoo.com or call Ken Welch at 603-228-0614.
